

CROSS-LINES SCHOOL SUPPLIES

Cross-Lines will be providing school supply kits for students from low-income families in Kansas City, KS. The *FRIENDS* of Cross-Lines will be putting together over 1600 kits of school supplies to be distributed in August. They will need lots of supplies to fill that many kits. We can help them by collecting supplies from the attached list during the last two weeks of July. Lists will be available in the breezeway.

You may also contribute money and others will do the shopping. Make checks out to OPPC with School Supplies in the Memo Line. Each kit costs about \$20.
